

Revision

What do you check for as a writing partner?

- ✓ Is this anecdote about one event?
- ✓ Did the writer zoom in on that event?
- ✓ Is there a clear issue/theme?
- ✓ Is it clear that this matters to the author?
- ✓ Is the setting clear – where, when?
- ✓ Character: who is in the story?
Names? Relationships?

* Tip: Try not to make decisions for the author.

Instead try...

“I really like...”

“I wonder if...”

“A strategy you could try is....”
